## HOW TO CITE RULES AND RSMo

**RULES**—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation , i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

**RSMo**—The most recent version of the statute containing the section number and the date.

**R**ules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons and findings which support its conclusion that there is an immediate danger to the public health, safety or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

**R**ules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

**A**ll emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

**Title 2—DEPARTMENT OF AGRICULTURE**  
**Division 30—Animal Health**  
**Chapter 2—Health Requirements for Movement of**  
**Livestock, Poultry and Exotic Animals**

**ORDER TERMINATING EMERGENCY RULE**

By the authority vested in the director of the Department of Agriculture under section 267.645, RSMo 2000, the director hereby terminates an emergency rule that became effective January 16, 2006, terminated March 2, 2006, as follows:

**2 CSR 30-2.014** Import Restrictions of Beef Cattle, Bison and Cervids from the State of Minnesota **is terminated.**

A notice of rulemaking containing the text of the emergency rule was published in the *Missouri Register* on February 15, 2006 (31 MoReg 277).

**U**nder this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbolology under the heading of the proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

**A**n important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

**I**f an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety (90)-day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

**Boldface text indicates new matter.**

**Title 16—RETIREMENT SYSTEMS**  
**Division 50—The County Employees' Retirement Fund**  
**Chapter 3—Creditable Service**

**PROPOSED AMENDMENT**

**16 CSR 50-3.010 Creditable Service.** The board is adding a new section (5).

*PURPOSE:* This amendment permits a purchase of prior service for transfer to MOSERS or HTEHPRS.

(5) A former employee may elect to purchase his or her service excluded under subsections (2)(A), (2)(B), (2)(D), (2)(E) and/or (2)(F) at any time, whether before or after attaining age sixty-two

(62), but before such person begins receiving benefits under the plan, to the extent and in the manner prescribed by the board, in order to have such service transferred and credited under the Missouri State Employees' Retirement System, RSMo section 104.320, et seq. (MOSERS) or under the Highways and Transportation Employees and Highway Patrol Retirement System, RSMo section 104.010, et seq. (HTEHPRS), to the extent provided under and otherwise in accordance with the rules of such system. Such election shall be made in writing to the board at such time as the person desires to transfer such service to MOSERS or HTEHPRS, in accordance with applicable law and regulations, but in no event after the date on which such person begins receiving benefits under the plan. The written election shall include a statement indicating the portion of the excluded service he or she elects to purchase. If a former employee makes a request in accordance with this section to purchase service, the board, or its designee, will calculate the cost (if any) of buying back the service, and any required payment shall be made in accordance with rules established by the board. The board may, in its discretion, deny the election and prohibit the purchase and transfer of service as described in this section (5) for any reason the board deems appropriate, including, without limitation, in the event the board or the plan's actuary determines that any purchase and transfer of service hereunder would create an actuarial loss to the plan.
